All IT Courses qualify as part of the YES Program

Occupational Certifications

COMPTIA A+ Certified Preparation Certificate - Courses	
COMP 1000	Intro to Computers
CIST 1122	Hardware Installation and Maintenance
CIST 1130	Operating Systems Concepts

COMPTIA A+ Certified Technician Preparation Certificate - Courses	
COMP 1000	Intro to Computers
CIST 1001	Computer Concepts
CIST 1122	Hardware Installation and Maintenance
CIST 1130	Operating Systems Concepts
CIST XXXX	Occupational Elective

Network Technician - Courses	
COMP 1000	Introduction to Computers
CIST 1001	Computer Concepts
CIST 1130	Operating Systems Concepts
CIST 1401	Computer Networking Fundamentals

Network Administrator - Courses	
COMP 1000	Introduction to Computers
CIST 1001	Computer Concepts
CIST 1122	Hardware Installation and Maintenance
CIST 1130	Operating Systems Concepts
CIST 1401	Computer Networking Fundamentals
CIST 2411	Microsoft Client
CIST 2414	Microsoft Server Administrator
CIST XXXX	Occupational Elective
